look what you did to me boy

we could never be no

look what you did to me boy

we could never be no

look what you did to me boy

we could never be no

look what you did to me

look what you did to me

look what you did to me

some people's wishes

turn so blue

and I know that

for me you have made this true.....

cause when I cared about you

you said you cared about me

but you crushed my dreams

when I found you with that girl

you had said that our

love would stay the same

but something in my heart told me

you were playing games

and when you left me

I held in all my fears

now you come running back in tears

thinking I'm gonna take you back

but no

no, It ain't gonna happen

no, It ain't gonna happen

no, It ain't gonna happen

no, no, no, no, no

no, It ain't gonna happen

no, It ain't gonna happen

no, It ain't gonna happen

no, no, no, no, no

why did you

do this to me

you had made me

feel your love was real.....

but when you cheated on me

I felt much agony

you wouldn't believe

what you put me through

now I won't make that

same mistake again

i know the tricks you played.....

and I won't let you win

you won't hurt me twice

so I'm giving you good advice.....

don't come back to me again

boy I'm telling it's the end

no, It ain't gonna happen

no, It ain't gonna happen

no, It ain't gonna happen

no, no, no, no, no

no, It ain't gonna happen

no, It ain't gonna happen

no, It ain't gonna happen

no, no, no, no, no

see I had tried so hard

to treat you right.....

and did all the things that

you know you liked

all I did was cared..... I cared for you

but now we're through.....

cause you abuse my love and hurt me to

oh, what makes you think

you can just comeback

start all over

forget about that

It ain't gonna happen.....

It ain't gonna workout.....

oh, you had your chance.....

cause I can't have no fake romance

no, It ain't gonna happen

no, It ain't gonna happen

no, It ain't gonna happen

no, no, no, no, no

no, It ain't gonna happen

no, It ain't gonna happen

no, It ain't gonna happen

no, no, no, no, no
